WORK EXPERIENCE

📍 **zakHill Group – Santa Monica, CA**

Junior Creative Designer (6/2021 to Present): Concepted, designed, & produced various creative marketing materials for promotional brand partnerships with major Entertainment Properties & Studios – including HBO, Warner Bros., Sony Pictures, DC, Marvel, 2K Games, & more. My role mainly involved creating Pitch Decks, One-Sheets, Web/Social Ads, Written Copy, Video Reels, Retail Packaging/Displays, TV Commercial Concepts, etc.

📍 **OSU Office of Distance Education & eLearning – Columbus, OH**

Video Production Assistant (9/2019 to 8/2020): Shot, produced, edited, & even acted in many different marketing videos for the OSU Office of Distance Education & eLearning's Website & Social Channels – gaining proficiency with the entire Adobe Creative Suite, a wide range of mics, cameras, & other shooting equipment, as well as how to work effectively in a fast-paced production environment.

📍 **Josephson Entertainment – Santa Monica, CA**

Scripted Development Intern (5/2019 to 8/2019): Efficiently provided coverage for various pilot/feature scripts in-development – learning a lot about creative development from a behind-the-scenes perspective. Also handled more-typical intern duties such as: screening calls, welcoming guests/clients, administrative support, observing/taking notes in pitch meetings, & doing research for upcoming projects whenever necessary.

📍 **Mattel Films (Contract) – El Segundo, CA**

Screenwriter's Assistant (12/2018 to 4/2019): Aided my screenwriting mentor, Dr. Angus Fletcher, in developing a pitch we were contracted create by Mattel Films – which involved rebooting one of their iconic toy/cartoon properties from the 1980's as a modern-day blockbuster film. I provided extensive research & script coverage while we put together our presentation, and also helped pitch the concept to Mattel Films' VP.
